## Murfreesboro, Tennessee

The City Hall Art Committee is responsible for advancing the awareness and support of our visual arts resources in Murfreesboro and for scheduling exhibitions of community artists and artists of local interest in the rotunda and lobbies of City Hall. The committee is also responsible for encouraging gifts of art to the City. The Committee consists of seven members who are appointed for staggered three-year terms. The Committee was created by Resolution of the City Council on Aug. 15, 1991.

Current members and their terms are listed in the directory of [Boards and Commissions](#). For more information, contact [Eric Snyder](#).

The City Hall rotunda offers artists an ideal forum to showcase their work, with more than 606 square feet in the main round of the [rotunda](#) and another 550-plus square feet along the [stairways](#). The open two-story ceiling with indirect natural light and fluorescent lighting work together to perfectly highlight the artist's talent.

Exhibits in the rotunda are free and open to the public between 8 a.m. and 4:30 p.m., Monday through Friday, except observed holidays. City Hall is located at 111 West Vine St., Murfreesboro, Tennessee.
