

Murfreesboro/Rutherford Art League
presents

Summer Celebrations!

June 29 thru July 27, 2009

MRAL asks participating members to please bring works reflective of the free, easy, and fun days that come to mind as one imagines this most relaxed time of year.

The following are examples to help members with the selection of works to be displayed for this theme: patriotic activities; summer landscapes; summer flowers such as roses, hydrangeas, etc.; summer activities such as picnics, fireworks, sailing, building sand castles and other beach events; and abstracts with a summer feel.

Please note the following policy for displaying art in any MRAL sectioned event or at the gallery:

MRAL is a family oriented organization promoting the arts for all ages in Murfreesboro and Rutherford County. Any artwork with profanity and/or profane references to deity, humans, animals, obscene content, or any other reference that offends the moral standards of the community as determined by the executive board will be eliminated. The decision of the board is final.
